Boston Tea Party!... Participate, Revolt, Be Heard!

Saturday, February 28, 2009 9a.m.– 3p.m.

At: Boston Coffeehouse, 12789 Waterford Lakes Pkwy.(located behind the Regal Cinema 20 at Waterford Town Center)

Boston Coffeehouse is celebrating the Grand Opening of its 4th location by providing a forum for today's issues which are relevant to our community. Join us for free coffee, tea and food, for the pregathering location for the Save our Schools Rally at UCF.

Local issues important to the community such as school budget slashing, unemployment, foreclosure's and more can be voiced and symbolically protested against by throwing a tea bag in the "Boston Harbor." The day will be hosted by Boston's own Colonial Minuteman. The entries for the Google video commercial shoot for the Coffeehouse will be shown, and the Grand Prize winner will be announced. Florida's Blood Center's bus will be on location for blood donors. Also prizes, children's activities, music and more.

Boston Coffeehouse has been a partner in Volusia County communities for over 12 years. Our 3 locations have served as a central gathering place for meetings, a forum to share ideas and voice concerns and we've always been an active community supporter. Our 4th location located in Orange County will hold true the ideals of community spirit and support which has made our Volusia County locations successful. Our delicious food, decadent desserts, and rich coffees have won us numerous awards and write ups. We've been voted Best Coffeehouse in the State by Florida Monthly and have been featured in Southern Living Favorites.

We're excited and proud of our expansion into Orange County and we're looking forward to forming strong partnerships and ties with the local community. Join us for our official introduction and enjoy!
